September 17, 2023

Dear Friend,

This year's Festival of Trees will be "Lit and Glam" with all of the elegance of Amarillo Country Club. It will take place on Friday, November 17, 2023, and we hope you can join us. We are excited to announce that Chicago Title will be our Presenting Sponsor this year and the event will be more exciting than ever. Your support of Panhandle Community Services, especially during difficult and trying times, has been absolute life to our organization and our community as we have walked through not one, but three natural disasters since May.

Together we have been able to accomplish some amazing things in the top 26 counties of Texas.

The programs of Panhandle Community Services are geared toward building bridges out of poverty and last year that included: Making 92,655 public trips on our buses, preparing and delivering 420 care packages to senior citizens, serving 23,033 families with utility assistance and so much more.

Our programs take both short and long term approaches to transitioning families out of poverty and though many of our grants have restrictions, dollars raised through the Festival of Trees, allow us the flexibility to eliminate obstacles that may fall outside of grant fund requirements.

The needs are great and it takes all of us working together to make sure those in our community needing help are able to have their needs met. We invite you to take a look at the following sponsorship opportunities for our Festival of Trees Event and consider partnering with us in making a deep impact in the Texas Panhandle.

Sincerely
